

We would like to inform you about an important change in our scheduling process beginning April 8th, 2024.

Due to popular patient demand, we will move away from walk-in X-rays and focus on scheduled-only X-rays. This change is designed to help us offer the most reliable and best possible care to all our patients. By offering appointment-only X-rays, we can ensure timely access to care, reduce wait times, and provide greater flexibility to accommodate patient schedules.

We have convenient online scheduling at [esmil.com/schedule-online.php](http://esmil.com/schedule-online.php).

We appreciate your understanding and cooperation as we enhance our services and prioritize our patient's health and well-being. Rest assured, our team is committed to assisting you every step of the way to make the scheduling process as easy and convenient as possible.

Thank you for choosing SMIL for your medical imaging needs; we look forward to serving you with excellence and care.
